## Innkeepers for the Night

## Grand Reception for up to 200 guests\*

Celebrate in luxury when you rent the entire Inn exclusively for your party! We also call this the Property Buyout package.

Property Buyouts include access to both banquet halls, the lower and upper-level patios, plus the main dining room and Nic's Bar & Lounge. With this option, you and your guests will enjoy dinner service in the waterfront dining room and you will receive all of the amenities included with our Classic Reception package.

To secure a Property Buyout, you must also contract a hotel block for all 23 rooms – you're the Innkeepers! This prevents the possibility of other guests staying at the Inn during your private event and allows you to offer the most convenient hotel option for out-of-town guests. Property Buyout wedding parties receive a discounted nightly room rate.

**Venue rental: \$3,500\*\***

**Food & beverage minimum: \$14,000**

This food & beverage minimum is non-negotiable as our restaurant will be closed to the public to serve your private event.

**Hotel deposit: 30% of total room rates**

This deposit is paid up-front to secure hotel rooms for your party. As guests call in to reserve their room, your deposit will be reallocated toward your total food & beverage spend.
